

Rachel
Brosnahan

● GRAPHIC DESIGNER

ABOUT

I graduated in 2008 with a A.S. degree in Graphic Design. After working for a few years in the creative department of a local newspaper, I transitioned to focus entirely on my freelance business. Since then, I have had the opportunity to work with clients in both the non-profit and for-profit sectors. It has been my privilege to serve many businesses and community organizations locally and around the world.

SKILLS

Graphic Design	Web Design
Branding	HTML / CSS
Advertising	Social Media
